Letter No. R.O.C.370-21/L.F. dated 30th July/1st August 1923 from the President, Hassan District Board to the Revenue Secretary to the Government of H.H. the Maharaja of Mysore.

.....

In inviting reference to Government Order No. L.5537-9/ L.B. 69-21-13 dated 24th/28th March 1922, sanctioning a special repairs estimate for Rs 8,481/- for special repairs (Metalling) of the last section of the Channarayapatna-Narsipur-Kodlipet District Fund Road, one half of the charges being met from District Funds and the other half from State Funds, I have the honor to state that having regard to the fact that His Highness the Maharaja was pleased to direct early action being taken to render this road permanently serviceable (as stated in D.O. letter No.74 dated 22nd September 1921 from the Private Secretary to His Highness the Maharaja to the Dewan of Mysore) the District Board resolved to enhance the mileage allotment to a uniform rate of Rs 150/- per mile throughout the length of the road, and obtained the sanction of the Government (vide Government Order No. L.2610-1/L.B. 60-21-4, dated 8th September 1921), and further agreed to bear half the cost of the aforesaid estimate for Rs 8,481/- for effecting special repairs. In doing so, the Board also expected that the Government share of cost would be made available by the Chief Engineer at least during the year 1922-23, since in his letter No. B.7633 dated 17th April 1922, addressed to Government he had expressed that the moiety of State Funds charge of cost could not be made --- available during 1921-22, and that the District Fund share of cost might be worked out that year and the State Fund share worked out during 1922-23, if funds could be made available.

During

During the year 1921-22, the Board placed a sum of --- R. 1,000/- at the disposal of the Executive Engineer, which is all that he wanted for that year, but he could not work it out in full, and only a sum of R. 203/- was expended by him. For the year 1922-23 he asked for a sum of R. 4,000/- and the District Board at their meeting held on 30th November 1922, resolved that they do find one half of this sum, about R. 2,000/- out of the sanctioned grant, and that the Chief Engineer would be requested to find the remaining R. 2,000/- out of State Funds.

A copy of this resolution was sent to the Department and a reply was received from the Chief Engineer to the effect that the sum of R. 2,000/- required to make up the R. 4,000/- aforesaid, could not be spared from State Funds even that year (1922-23), and that only the worst furlongs might be recoated from the District Board quota of R. 2,000/-. This, I regret to submit, does not appear sound or expedient. Even in the Draft State Budget for 1923-24, I fear no allotment seems to have been made for Special Repairs.

I therefore request that, considering the importance of the subject in question, Government may be pleased to arrange for their moiety of costs being made available at least during this year (1923-24) and that as early as possible.

Sir,

With reference to your letter No. L. 3143/L.B. 40-23-2, dated 31st October 23, enquiring whether the District Board can make their share of the cost for the special repairs of the last section of the CHENNARAYAPATNA-NARSIPUR-KODLIPET ROAD, I have the honor to note below the resolutions of the Finance Committee and the District Board for information:-

Resolution of the Finance Committee:- "The Committee feels that piece meal repairs to this important road would tend to wastage, and the moiety of the District Board contribution may be made available when the Government makes its quota available".

Resolution of the Board. "The resolution of the Finance Committee is approved. It may be brought to the notice of the Government once again that the Board undertook to effect special repairs to this road having regard to the fact that a reference had been made by the Private Secretary to His Highness the Maharaja in this respect and it behoves both the Government and the Board to give effect to the intentions expressed in the said letter without

When His Highness last toured in your District, the last section of the Chennarayapatna-Hole-Narsipur-Kodlipet road was, as you are aware, in a very bad condition. Government, I learn, have since sanctioned a sum of Rs.8,481/- in their order No. G.L. 5537-9/L.B. 69-21-13, dated 20th March 22 for effecting the necessary repairs. I am to request you to kindly let me know what action has been taken to put the road in order and in what state the road is at present.

Extract from the Demi Official letter No. 74, dated the 22nd September 21, from the Private Secretaty to His Highness the Maharaja of Mysore, to the Dewan of Mysore.

On the 11th instant when His Highness motored from Mysore to Sukravarsanthe, the portion of the road from Arkalgud to the Coorg Frontier, the last section of Chennarayapatna-Narsipur-Kodlipet road about eight miles distant, was practically impassable. The ruts were so numerous and in places so dangerously deep that evidences of its long neglect were quite apparent. It is a fairly important road and needs putting in order before it further deteriorates. In sending herewith a copy of the note submitted by the Executive Engineer for His Highness' information, containing proposals for its improvement with a view to its being rendered permanently serviceable, His Highness will be obliged by your taking early action in matter so that the repairs may be taken up before the close of the rainy season.
